Fall Open Houses

Come learn about Virginia Tech's ONLY 2-year Associate Degree program

- Thursday, October 15 | 6:00-8:00 pm
  Tidewater AREC | Suffolk, VA
- Saturday, November 7 | 9:00 am-2:30 pm
  Litton-Reaves Hall | Blacksburg, VA

AGRICULTURAL TECHNOLOGY
VIRGINIA TECH

SPECIALIZE IN:

- **Applied Agricultural Management** (agribusiness, crop, or livestock)
- **Landscape & Turf Management** (landscape or sports/golf turf)

WHAT TO EXPECT:

Agricultural Technology Overview Session: Learn about our two program options.

Alumni Panel: Hear from program alumni about how they've used their degrees and how the program impacted their lives.

Hokie Chats: Meet faculty, program administrators, and current students. Participate in Q&A sessions with all groups.

Tour the Grounds or Try a Class: Walk through our learning spaces or jump into a sample class activity. Get a firsthand look at our resources, teaching methods, and more.

Application Overview: Our application process is unique –we'll walk you through it.

On-Site Conditional Admission

High school seniors or graduates can receive conditional on-site admission. **Bring a copy of your high school transcript.**
